

# BOBCAT BULLETIN

Jackson Heights Middle School, Oviedo, Florida 32765

## In This Issue:

- Student Information
- Athletics
- Green Team
- Upcoming Dates
- Math Tutorial

## Happy Fall!

What a great year we are having! We are partly through the second nine weeks and are very proud of all our Bobcats' accomplishments. From academics to athletics, JHMS is lucky to have so many talented students.

## Student Information

**Student IDs** - JHMS students should wear their student IDs on a lanyard around their necks every day for campus safety purposes. Unless a student was absent on picture day, they should have recently received a new ID. You can refer your student to Student Services (Mrs. Frye) for questions about IDs.

**Water Bottles** - We are continuing to encourage students to bring water bottles to school. JHMS has several filtered water stations for students to refill throughout the school day.

## Math Tutorial

Students interested in receiving additional math support should speak to their math teacher regarding the morning tutorial. Students also have access to homework help via WebEx on Tuesdays from 7:00—8:00 PM.

## Green Team

Green team, an extracurricular club focused on environmental stewardship and agriculture, meets on Monday mornings at 8:00 AM in Mrs. Woodward's room (9-203). Activities include edible science labs, DIY birdfeeders, zero-waste crafts, gardening, composting, and more! Learn about our reptile friends here in Florida and get opportunities to handle some local reptile species. Green Teamers will also go on short, supervised hikes on and off-campus.

## Track, Volleyball, & Basketball

We are currently in track season with weekly meets on Wednesdays after school. Next up (third nine weeks) will be volleyball season, and tryouts will be either just before or just after winter break. Basketball season is during the fourth nine weeks, and tryouts will be in late February. Students should listen for announcements regarding tryouts. We will also post information on our JHMS webpage and Facebook close to tryouts for each sport.

## Staying in the Know

[Text Alerts](#) - JHMS uses Text Alerts to notify parents during emergencies and dismissal delays.

[Skyward Family Access](#) - Click the link in the title to set up your parent access to Skyward.

[eCampus](#) - Parents can be "Observer's" of eCampus. Click the link in the title to set up yours.
